Notes/Comments:

Attached is the signed Amendment and Response After Final, with a Certificate of Transmission by fax, that I sent to you last Friday (9/22/00) in "draft" form. In our telephone conversation earlier today you indicated that you probably would refuse entry of the claim amendments as "raising new issues", but I respectfully request that you reconsider because we have continuously argued that this device is "portable" (as previously required by all the claims) and for personal communications, recording, security, etc. whereby these are not new issues, only new claim language.
